<sup>1</sup>Note: NJTPA Employment is defined as **Payroll Employment**. This may differ from the definition that some of the counties are using for employment. Payroll employment includes both "covered" employment (those jobs covered by the NJ Unemployment Insurance system), as well as some noncovered employment, which could be significant. Examples of "noncovered" employment (those jobs not covered by unemployment insurance) include: self-employed workers, unpaid family workers, members of the Armed Forces, in addition to some workers employed by railroads, state and local governments, and nonprofits.
